Hi Alan,

You have a contact in each of the villages, except Newhalen. Raymond would probably ask you to work with Joanne.

I would send the email to the designated point of contacts and I would cc their Tribal Council President. I added the TC President to the attachment below.

Also, I only found one error in your message - changed We'd to We. (we can stay . . . ).

Here is my updated information for the various communities.

Please note that Ekuk and Curyung are both in Dillingham. Portage Creek may not have anyone in Portage Creek, they may be in the Anchorage area. Would need to talk to Charlie about where their Elders are.

THANKS!! Tami

PS My cell is Ex. 6 PII, Tami Fordham in case you ever need it.

Subject: trip to Lake Clark, Iliamna villages

Tami,

I think the best way to do arrange a trip to the Iliamna/Lake Clark villages is to propose a schedule and see if this works for folks. Here's a draft. Let me know what you think, and do you want to e-mail them or I can if you send me the e-mail addresses.

Alan

Tribal representatives:

It was nice to meet many of you in Anchorage at the EPA intergovernmental meeting and to talk to some of you on the phone. Because of the tight time frame I'd like to see if Catherine Knott and I can get to the Iliamna, Lake Clark villages this coming week. This is a tight schedule and if it takes longer in one place we'll be flexible and try to contact everyone on down the line. If August 16 to 20 doesn't work for most of you, our next window of time is after August 24th.

August 16      Nondalton, fly in Tuesday morning, interviews Tuesday afternoon and evening, stay the

night at Nondalton

August 17 fly to Iliamna Wednesday, conduct interviews at Iliamna Wednesday afternoon and evening, stay the night at Iliamna

August 18 conduct interviews at Newhalen Thursday morning and afternoon, Fly to Pedro Bay Thursday afternoon OR stay in Iliamna and fly to Pedro Bay Friday,

August 19 conduct interviews Friday at Pedro Bay, spend the night at Pedro Bay

August 20 Fly back to Kenai

We can stay in bed and breakfasts, or a school/tribal center. If we need to we'll bring tents, but it makes travel and doing interviews a lot simpler if we don't have to camp. We'll bring our own food.

We'll need a contact in each village to help us set up interviews with the Elders chosen by the tribal council. A tribal center or similar building is a good place to do interviews. If the school is open and available we could do the interviews there. Interviewing two or three people at one time is best. Its hard to transcribe interviews if more than three are involved at one time. Interviewing 2-3 people takes about two hours. As indicated in the packet sent to you, we'd like to interview four to six Elders in each village chosen by the tribal council.
